Our specialised Toddler & Kindy Programs have been passionately created by Principal Kate Leeder & loved by Little Ones throughout the past 10yrs. They incorporate a fun introduction to dance with a jazz, ballet & creative movement based syllabus with props, singing, whilst dancing along to music such as The Wiggles, Hi-5 and specially designed songs for this young age.

Toddlers 1.5yrs+ is a Parent & Me Style Class. You join in alongside your Little One for the duration of the class.

Kindy Kids for 3yrs+ is for those ready to dance independently without Parents in the room.

Children 4yrs+ are offered classes in various styles such as Jazz, Tap, Ballet, Hip Hop, Contemporary & Lyrical. These are classes without any pressure to perform. Our Afternoon Students have the option to participate in our Term 3 Concert, costumes are hired for a maximum of \$15 per student. There are no exams or competitions. Just Fun!
