ADULTS

TODDLERS

The Toddler class is suited to both Girls & Boys and embraces a Parent & Me style dance class, where you join in alongside, engaging with your Little One.

Children will spend a typical class following along as a group with basic dance moves, as well as some free creative self-expression using props and their imaginations. Using different songs & props each week, everything is fast paced, energetic and most importantly, fun!

Toddlers are encouraged to wear whatever they feel comfortable in and if that's a tutu, fairy dress, or superhero outfit, so be it! Children can dance in sneakers, bare foot or wear little ballet/jazz pumps.

KINDY KIDS

Kindy Jazz is for those Little Ones who are ready to dance independently without Parent's in the room. This gives students a chance to interact, make friends whilst simply enjoying to dance.

It is a 30 minute Jazz based class, children follow a more structured style Jazz class, while still having lots of fun. Basic steps and combinations are taught as well as a Dance. Parent viewing days are held twice per term.

Kindy Kids is suited to both Girls & Boys.

Students can wear whatever they like to class as long as it is safe to dance in, with barefeet or Jazz shoes.
